First of all just to let you know that sadly Penny is stepping down as co-ordinator after a number of years of participation. I'm sure you will all join me in thanking her for all the love and support she has given us all over the years. As she is off to Australia to visit her family, our November meeting will be her last meeting until February. She assures us she will still be joining our meetings when time allows. Which we hope will be often.

What's been happening – A lovely day both weatherwise and socially at Penny's Strawberry Tea in July, we were treated to a splendid spread, and info about The Cancer Information Centre at the Churchill from Charlotte. Another sunny day, in Jean Gibbon's garden in August – sun shines on the righteous, methinks! In October Sarah Lawrey came to Tina's, and we had an interesting time with discussion about current trials & research. Sarah is already booked in for next year.

We are now planning 2012 – so if you feel you can host a meeting please contact Jan 01844 290362. We have a "tea box", so just need you to provide hot water, milk and biscuits. We generally have around a dozen or so guest, just to give an idea of space needed, though some of us can cope crossed-legged on the floor!! Winter months tend to generate fewer guests if you are tight on space.

Any ideas for speakers, or if you know of people that might like to come to speak, let us know. Any events of interest to our members that you would like us to publicise in our newsletters, or via email please get in touch.

Our website is available with venues, and dates.

We have a small library box from which you are welcome to borrow. A list is available by email megan.curtis@btinternet.com and at our monthly meetings. No charge for loan, but please sign books out & in and return ASAP.
